### Treasurer's Report

- Dorothy posted the treasurer's report for the month

### PDA/Partners Report

- Centrum has residents coming starting August 20 and would like to use the studio as per our agreement, as well as exclusive use for Centrum residents Nov. 1-4
- Martha offered to train the residents on proper use of the studio and equipment
- Margaret was looking into pro-rating rent
- The board did not have enough members present for a quorum but the present members recommend we open the studio to Centrum residents as requested
- Nancy suggested someone from Corvidae membership might do regular studio check-ins to make sure everything is going well; any volunteers?
- Fortopia is in October; Corvidae will host an Open House (similar to Studio Tour) so we'll need volunteers as soon as we have dates/times

### Membership Report

- One of Corvidae's founding members expressed interest in returning but hasn't contacted Randy recently; Randy will get back in touch with her

- Studio tour volunteers put up a new display of beautiful prints and tidied up the studio — it looks wonderful!
